

Expert Trails
Intermediate Trails
Beginner Trails
Cross Country Trails

Expert Trails: Expect single track and open trails, many roots, rocks, steep sections, wooden features, off-camber and loose terrain.
 !!! Full face helmet and pads RECOMMENDED !!!

Intermediate Trails: Less roots and rocks, less steep sections and mostly single track.

Beginner Trails: Almost no single track, open ski runs with minimal obstacles, and some waterbars.

Cross Country Trails: Expect some climbing, mostly single track, some double track, rocks and roots
