COMMUNITY CENTER

Wilmington town historian Merri Peck and former teacher Karen Peters will introduce kids to genealogy. We will have blank family trees and family group sheets, as well as activities for students and children. Feel free to bring family photos to add to the trees.

A pizza lunch will be provided by Fratelli's Restaurant. This is a free program for children ages 6-12. Limit 10 children. Contact Merri Peck at whs12997@hotmail.com
