Good evening and thank you for dining with us! We like to think of R.F. McDUGALL'S PUB & GRILL as a little piece of Wilmington's history. We've been here for 26 years, and for a lot of local folks and visitors, too, we're practically part of the family. Our menu offers tasty salads and burgers, tempting beef, poultry and pasta dishes, as well as innovative weekly specials. A few years ago, *Outdoor Life Magazine* voted us "One of America's Top Ten Best Fishing Bars!" We're very proud of that distinction, very proud of our wonderful little town, and very proud that you're with us tonight. ENJOY!

May we suggest starting with one of our refreshing specialty drinks! Served in a goblet, each is an excellent way to begin your visit with us! - 8.00
